

DC MOVES – Resource Sharing

5 things you said you wanted accomplished in 2018

1. A shared and well communicated agency priority list of needed resources
2. Creation of a repository of available assets or other resources considered surplus by local agencies

What you said you wanted accomplished in 2018 – con't

3. Coordination of training and professional development
4. Coordinate and arrange cross training
5. A sub-committee to investigate a community foundation (w/HCIA)

How we responded

1. A shared and well communicated agency priority list of needed resources

WE

- Established a partnership with Habitat For Humanity we call 'Move It On';

How we responded

2. Creation of a repository of available assets or other resources considered surplus by local agencies

WE

- Added 'Move It On' to the DC MOVES website,
- Added Move It On standing instruction in WOTMs,
- ReStore had items available for agency purchase and several organizations used this service in 2018 (DCFS, FTP, County of Dufferin)

How we responded

3. Coordination of training and professional development

We provided

- International Overdose Awareness Day (CMHA & Public Health)
- Georgian Collage Employment Service Consultant on site at Grand Valley Library half a day a week as an outcome of partnering and collaborating at the Sept 25th FORUM
- Volunteer Dufferin Free Management Library link on DC MOVES website
- Deloitte Board Governance resources added to website
- Tamarack Capacity Building working shop, 2018 deliverable to be executed January 29, 2019

How we responded

4. Coordinate and arrange cross training in the following areas:

- poverty; diversity/social inclusion; change management; board recruitment/volunteer management; addictions/mental health; strategic planning
- Con't
